

## **NOTICE TO ALL RACING OPTIMISTS**

Class Rule 3.2.6.1 (d) states

*A compass and associated fittings, which shall all be removable for weighing the hull. A compass may include a timing device. An electronic timing device is permitted. No electronic devices other than those required or permitted by an Organizing Authority and/or IODA in the Notice of Race and/or Sailing Instructions, shall be permitted on board when racing.*

### Class Interpretation:

Any compass that has any memory is not permitted other than a timing device (countdown or stopwatch). Only electronic timing devices are permitted. The Notice of Race or Sailing Instructions may permit any other electronic device when racing such as a tracker etc.

i.e. Tacktick Ray Marine T060 Compass as such like compass is non-complainant
